Starting a Team

For a team you need...

- 1:1 ratio of athletes and partners
 - An advisor (adult teacher, coach or parent)
 - LEGO MINDSTORMS Kit (EV3 or NXT) per team
 - Computers for the Mindstorms software
 - A desire to have fun together building robots!
- * Remember: Your school can have a UR team with only 2 students! Or, it can have several UR teams.

Important Steps

- Register today!
- Reach out to Special Education teachers, *FIRST* coaches or mentors
- Recruit students: post flyers, email parent letters, school/club announcements
- Choose day/time/location for meetings
